PROFILE SUMMARY

You can call me Fano. I'm currently pursuing my IT Degree in Brawijaya University, Malang. I'm a detail-oriented Quality Assurance professional dedicated to ensuring top-quality software products. Skilled in testing, defect tracking, and creating effective test cases, I'm a team player who collaborates well to improve processes and user experiences. With a strong analytical focus and a passion for quality, I contribute to exceptional software solutions. Since 2016, I've co-founded Macroscopic, overseeing successful production of 5000+ pieces and transforming into a well-known apparel brand. Notably, I was a finalist in SEAMEO Creative Camp 2018 and received the YEB Brawijaya award in 2022. I'm also proficient in video editing. I'm excited to explore new opportunities and welcome any discussions.
